Website:www.ahcofpc.com

1976 AHCOF GROUP ESTABLISHED IN 1976, formerly known as "COFCO Corporation, Anhui Branch" was under the State-owned enterprises, mainly engaged in foreign trade foodstuff allocation of business plan and a small import-export business.

2000-2008 Companies actively explore the "one industry-based, multi-management" model of development, the integration of the advantages of the internal resources to the real estate business as a starting point, and gradually explore diversification, ESTABLISHED AHCOF international, AHCOF Industrial, AHCOF XINGYE, AHCOF estate, Purchase the acquisition of Hefei construction, initially formed a trade, industrial, financial investment, real estate business and construction contracting business sector separatist achieve the successful transformation of the company's development history. Enterprise strength and efficiency to achieve leapfrog development, to achieve a successful transformation of the company's development history.

2010 In June, the provincial SASAC approval grain for restructuring, July Ann Agri open as the founding meeting, August Ann Agri formally incorporated, continue to carry grain for its trade, financial investment, real estate and construction workers, and other core business. In November, the completion of an orderly transfer of the old and new team. Annual sales income of 8.0 billion.

2019 Ahcof Group was selected as one of the "Top 500 Chinese Service Enterprise" for six consecutive years with operating income of 224 billion Yuan, and it has risen by 5 places compared with last year, ranking 211th.

2020 the import and export volume of AHCOF GROUP exceed 2.246 billion US dollars.

Our main business

- OEM service
- ODM service
- IDM service

Why choose us?

- Accept OA credit 60days payment.
- Pay all tooling cost, free of charge for buyer.
- Product design and engineering expertise.
- Perfect quality control system.

YOUR ONE-STOP GAMING GEAR MANUFACTURER

- RGB backlight, silicone soundproof pad
- Compatibility: Windows 95/98/2000/ME/XP/Vista/7/8/10, etc.

DK86

85 keys RGB mechanical keyboard

- Wired & 2.4G & Bluetooth
- Chip: BYK916
- Full keys anti-ghosting
- With volume knob
- Hot-Swappable Socket, HUANO Switch
- Support DIY keys/keycaps/switches
- Type-c 1.5m PVC cable
- Battery Capacity: 4000mAh
- Baked white iron panel, Silicone Gaskets
- OS Support: Win 9X/Win Vista/Win 7/Win 8/Win 10

WIRELESS SILENT SCISSOR-FEET MEMBRANE KEYBOARD

K406

- 108Keys
- Chipset: HUNTERSUN
- Scissor-feet
- With RGB backlight
- Material:ABS
- OS Support:MAC/Windows7/8/10
- 425*139*22mm
- 2000mAh Lithium Polymer Battery

NEW SCISSOR SWITCH KEYBOARD

K321

High-Travel Scissor Switch Dual-Mode
Wireless Charging Keyboard

- Size: 318.81*113.07*25.37 mm
- Keys 68 Keys
- Charging Cable Length: 1 m
- Interface Type: 2.4G+Bluetooth
- Supported Systems: MAC/Windows 7/8/10
- Battery: 400mAh
- Features: Silent, Portable, Parallel Four-Bar Linkage Structure (X-Frame Structure)

K108

99 keys three-mode scissor keyboard

- Size: 401.23*141.23*30.56mm
- keys: 99
- Weight: 620g
- Battery: 2000MAH

K432

Dual-Mode Wireless Charging
Scissor Keyboard with Pudding Keycaps

- Size: 431*139.3*34.4MM
- Keys: 110Keys
- Charging Cable Length: 1 m
- Interface Type: 2.4G+Bluetooth
- Supported Systems: MAC/Windows7/8/10
- Battery: 400mAh
- Features: Silent, Scissor Structure, Pudding Keycaps

BT PROTABLE FOLDING SCISSOR KEYBOARD

K166

BT Portable folding Scissor keyboard

- Material: ABS
- Keys: 65
- Folded size: 335*104*7MM
- Unfolded size: 167*104*14MM
- Suport: MAC/Windows7/8/10
- Battery: 150 mah

K888

BT Portable folding Scissor keyboard

- Material: ABS+Aluminum Alloy
- Keys: 67
- Folded size: 238*55*18.5MM
- Unfolded size: 238*103*5MM
- Weight: 278g
- Suport: MAC/Windows7/8/10
- Battery: 185 mah
- Chip: PixArt

K143

BT Portable folding Scissor keyboard

- Material: ABS
- Keys: 67
- Folded size: 283*95*9MM
- Unfolded size: 142*95*18MM
- Suport: MAC/Windows7/8/10
- Battery: 150 mah

ALICE LAYOUT KEYBOARD

K27

2.4G Alice Layout Keyboard

- Size: 400.23*234.87*37.1 mm
- Material: ABS
- Keycaps: Silk Screen Printing + UV Coating
- Rubber Dome Lifespan: 10 million keystrokes
- Membrane: Silver Paste
- Battery: AAA* 1
- Solution: Han Tian Xia

K28

2.4G Alice Layout Keyboard with Trackball Function

- Size: 400.23* 234.87*37.1mm
- Material: ABS
- Keycaps: Silk Screen Printing + UV Coating
- Rubber Dome Lifespan: 8 million keystrokes
- Membrane: Silver Paste
- Battery: AAA*2
- Solution: Han Tian Xia

K29

104/105/US/UK 2.4G Wireless Curved Keyboard

- Size: 453.39* 223.51*34.27mm
- Material: ABS
- Keycaps: Silk Screen Printing + UV Coating
- Rubber Dome Lifespan: 8 million keystrokes
- Membrane: Silver Paste
- Battery: AAA * 2
- Solution: Han Tian Xia

SCISSOR KEYBOARD

KB616

Wireless Silent Membrane Keyboard

- 108Keys
- Chipset:HUNTERSUN
- With RGB backlight
- Dual mode bluetooth 2.4G
- Scissor-feet with knob and slot
- Type-C 1m PVC cable
- Material:ABS
- OS Support:Mac OS/Win/Android
- 418*210*25.3mm

KB-5801

84key 2.4G Wireless keyboard

- 84 keys+3 hot keys+touch mouse
- Product size: 355*140*22 mm
- Net weight: 356 g
- Battery: AA*2
- Interface: USB Receiver, Plug and Play
- Layout and Logo: Customized, Screen Printing
- Working Range: 10 meters
- Material: ABS

KB-X9

100 keys membrane keyboard

- Wired (NEXPERIA) or 2.4G+BT(HUNTERSUN)
- With RGB backlight
- With tablet slot
- Battery Capacity: 1000MA
- ABS bottom case
- 1.55M PVC cable
- OS Support: Windows 98/2000/XP/VISTA/ WINDOWS7

SCISSOR KEYBOARD

K900

Wireless silent scissor-feet membrane keyboard

- 110Keys
- Chipset:YICHIP
- With RGB backlight
- Dual mode bluetooth 2.4G
- Type-C 1m PVC cable
- Material: APS
- OS Support:Mac OS/Win/Android
- 438*138*20MM

K370

Wireless silent scissor-feet membrane keyboard

- 99Keys
- Chipset:UNTERSUN
- Dual mode bluetooth 2.4G
- Type-C 1m PVC cable
- Material:Liquid Silicone Rubber
- OS Support:Mac OS/Win/Android
- 385*140*22MM

K318

2.4G Silent Membrane Keyboard

- 84Keys
- Chipset: HUNTERSUN
- Scissor-feet
- Material:ABS
- OS Support:MAC/Windows7/8/10
- 320*127*20.05mm
- 2 AA dry batteries

GAMING MEMBRANE KEYBOARD

KB1060
